

MINUTES
Institute Graduate Curriculum Committee
College of Sciences Conference Room
2nd Floor Tech Tower
May 18, 2006

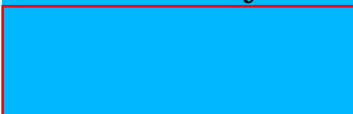

PRESENT: Green (MATH), Craig (AE), Pikowsky (Registrar), Wills (ECE), Parsons (MGT), Parker (ISYE)

VISITORS: Dieci (MATH)

1. The Minutes of May 2, 2006 were not yet ready for approval, awaiting updated course information from the College of Architecture. They will be voted on at the next meeting.
2. A motion was made to approve a student petition supported by the School of Mathematics to allow a student to be changed from drop status to probation status and to be moved to the MS program from the PhD program. The motion was seconded and approved. Unanimous.
3. A motion was made to deny a student petition to drop ECON 6105 after the Fall 2005 deadline. The motion was seconded and approved. Unanimous.
4. A motion was made to approve the program review for Algorithms, Combinatorics, and Optimization with minor edits including a notation that the program merits support by the Institute.

The meeting was adjourned.

Reta Pikowsky

Registrar
