7. The College of Computing made the following requests:

New courses – approved

CS 4665 Educational Technology 3-0-3

CS 2130 Languages and Translation 3-3-4

CS 2335 Software Practicum 2-3-3

CS 2330 and CS 2341 should be made inactive after Fall 2000.

The following changes to the Bachelor of Science in Computer Science Degree requirements were requested and approved.

Delete CS 2330, 2nd year, 1st semester

Delete CS 2331, 2nd year, 1st semester

Delete CS 2341, 2nd year, 1st semester

Add CS 2130, 2nd year, 1st semester

Add CS 2335, 2nd year, 2nd semester

8. The following guidelines were established for the Registrar's Office for approval of overloads for Summer, 2000.

Co-ops on work term can register for up to 6 additional hours of academic work.

Non-graduating students on good standing with a GPA of 2.5 can register for up to 3 additional hours.

Graduating students on good standing can register up to 3 additional hours.

A motion was made to let McIver and Hughes act as a sub-committee to review all petitions for overloads for Summer. Motion was seconded and approved.

9. Chair will send out suggestions from Executive Board concerning issues raised during presentation from UCC. Chair would like recommendations for changes that should be made to the Committee.
10. There followed agenda items which relate to student petitions and records; these items are not reproduced in the public version of these minutes

M. Jo McIver

Registrar
